30 and amendments thereto, may elect to participate in the DROP by making
31 application in such form prescribed by the system at the attainment of age
32 55 and the completion of 20 years of credited service or at the completion
33 of 32 years of credited service regardless of the age of such member.

34 (2) A member who is appointed or employed on or after July 1, 1989,
35 or who made an election pursuant to K.S.A. 74-4955a, and amendments
36 thereto, may elect to participate in the DROP by making application in

38 completion of 20 years of credited service, age 50 and the completion of
39 25 years of credited service or age 60 with the completion of 15 years of
40 credited service.

41 (b) A member shall indicate on the application the DROP period such
42 member wishes to participate in the DROP. A member may elect to
43 participate in the DROP for a minimum of three years and may not

1 participate for more than five years from the effective date of the election
2 to participate in the DROP. A member may participate in the DROP only
3 once. An election under this section is a one-time irrevocable election.
4 Once the application is accepted by the system, such member becomes a
5 DROP participant. If a member fails to participate in the DROP for a
6 minimum of three years, all of the member's interest credits shall be
7 forfeited, unless such member retires due to disability as defined in K.S.A.
8 74-4952, and amendments thereto. A member who remains in active
9 service at the expiration of the member's elected DROP period shall not be
10 eligible for any additional interest credits.

12 continue in the active service under the Kansas police and firemen's
13 retirement system but shall not earn service credit under K.S.A. 74-4951 et
14 seq., and amendments thereto, after the election's effective date. On and

27 thereto. In determining the retirement benefit, the system shall use the
28 member's total service credit and final average salary as of the last day of
29 the employer's payroll period immediately prior to the effective date of the
30 member's election to participate in the DROP. Before entering the DROP, a
31 member may elect to have such member's retirement benefit determined
32 under one of the options provided in K.S.A. 74-4964 or 74-4964a, and
33 amendments thereto, in lieu of having it determined in the form stated in
34 K.S.A. 74-4958 or 74-4958a, and amendments thereto, except such
35 member may not elect the lump sum payment option. During the DROP
36 period, an amount equal to the monthly DROP accrual shall be credited to
37 the member's DROP account. The calculation of the monthly DROP
38 accrual will be calculated using the member's age and, if the member
39 elected a joint and survivor option, the age of the beneficiary as of the
40 calendar year which contains the beginning of the DROP period. The
41 monthly DROP accrual shall comply with the requirements of section
42 401(a)(9) of the federal internal revenue code and treasury regulation §
43 1.401(a)9-6, Q&A-2(c).

(b) A member shall not receive a monthly retirement benefit, as calculated pursuant to K.S.A. 74-4958 or 74-4958a, and amendments thereto, until termination of such member's DROP participation and commencement of retirement. A DROP member shall not have any claim to any funds in such member's DROP account until such member retires at the termination of such member's DROP participation. Upon terminating DROP participation, a member is entitled to such member's retirement benefit, including any postretirement benefit adjustment for which the member is eligible.

Sec. 7. (a) A member's participation in the DROP ceases on the occurrence of the earliest of the following:

(1) Termination of the member's active service with a participating employer;

(2) the last day of the member's elected DROP period that begins on the effective date of the member's election to participate in the DROP;

(3) retirement due to disability as defined in K.S.A. 74-4952, and amendments thereto; or

(4) the member's death.

(b) If a member dies before taking a distribution from such member's DROP account, the member's designated beneficiary shall receive a lump-sum payment equal to the member's DROP account balance. If the DROP member has not named a beneficiary for such member's DROP account, the amount in the DROP account shall be paid to the beneficiary of the member's retirement benefit.

Sec. 8. (a) A member, who satisfies the requirements of this act, shall be entitled to a distribution of such member's DROP account. Such distribution may be through any combination of the following payout options, each of which is subject to the applicable provisions of the federal internal revenue code and the applicable regulations of the internal revenue service:

(1) A direct rollover to an eligible retirement plan; or

(2) a lump-sum distribution.

(b) The board may specify minimum account balances for purposes of allowing benefit payment options and rollovers in accordance with federal law.

Sec. 9. This act shall take effect and be in force from and after January 1, 2016, and its publication in the statute book.
