

Sir,

This is in regard to the proposal to name a portion of Highway 69 in Overland Park, Kansas the 2 LT Justin Lee Sisson Memorial Highway.

I am Justin Lee's grandmother.

He was an outstanding young man, a great patriot and his main goal in life was to serve his country. He achieved that goal and gave his young life for the United States.

Justin has many friends and relatives in this area who would appreciate seeing him honored by having his name on Highway 69.

Justin was a positive influence on almost every person he had contact with.

Respectfully submitted,

Judith B. Liming
