Chairman Petersen and Committee Members:

Good morning! My name is Tom Holland and I am the State Senator for the Kansas Senate 3rd District serving portions of Douglas and Leavenworth counties. I am here today to ask for your support of Senate Bill 190.

SB 190 is legislation intended to promote boating safety by making sailboat training classes more accessible to those under 21 years of age who do not (yet) possess a certificate of completion of an approved boater safety training course of instruction. This issue was brought to my attention by district constituents.

Sincerely,
