

at motor carrier inspection stations, the secretary of transportation may contract with the superintendent of the Kansas highway patrol for such purpose, and in such event, the superintendent or any designee of the superintendent may issue such special permit pursuant to the terms and conditions of the contract. The limitations in this section shall not apply to vehicles transporting such objects operated at nighttime by a public utility when required for emergency repair of public service facilities or properties or when operated under special permit as provided in K.S.A. 8-1911, and amendments thereto, but in respect to such night transportation every such vehicle and the load thereon shall be equipped with a sufficient number of clearance lamps on both sides and marker lamps upon the extreme ends of any projecting load to clearly mark the dimensions of such load.

(f) The limitations of this section governing the maximum length of combinations of vehicles shall not apply to a combination of vehicles consisting of a truck tractor towing a house trailer, if such combination of vehicles does not exceed an overall length of 97 feet.

(g) The length limitations of this section shall not apply to stinger-steered automobile or boat transporters or one truck and one trailer vehicle combination, loaded or unloaded, used in transporting a combine to be engaged in farm custom harvesting operations, as defined in subsection (d) of K.S.A. 8-143j(d), and amendments thereto. A stinger-steered automobile or boat transporter or one truck and one trailer vehicle combination, loaded or unloaded, used in transporting a combine to be engaged in farm custom harvesting operations, as defined in subsection (d) of K.S.A. 8-143j(d), and amendments thereto, shall not exceed an overall length limit of 75 feet, exclusive of front and rear overhang.

(h) The length limitations of this section shall not apply to drive-away saddlemount or drive-away saddlemount with fullmount vehicle transporter combination. A drive-away saddlemount or drive-away saddlemount with fullmount vehicle transporter combination shall not exceed an extreme overall dimension of 97 feet.

(i) *The length limitations of this section shall not apply to a one truck-tractor two trailer combination or one truck-tractor semitrailer combination used in transporting equipment utilized by custom harvesters under contract to agricultural producers to harvest commodities, but the length of the property-carrying units, excluding load, shall not exceed 81 1/2 feet.* 2

Sec. 2. K.S.A. 2014 Supp. 8-1904 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the statute book.
