

STATE OF KANSAS

---

HOUSE OF REPRESENTATIVES

MR. CHAIRMAN:

I move to amend **Substitute for Substitute for HB 2292**, on page 1, in line 15, after the period by inserting "The state shall retain sole control over the development, establishment and revision of K-12 curriculum standards. Neither the state board of education nor the state department of education shall cede any measure of control over any aspect of Kansas public education to any entity not explicitly allowed authority over education in article 6 of the constitution of the state of Kansas."; in line 18, after the first "standards" by inserting ", including, but not limited to, the national curriculum standards for social studies, the national health education standards, the national sexuality education standards or any other academic standards not in the public domain, free of any copyright"; following line 25, by inserting:

"(5) "Common core state standards" means the common core standards adopted by the Kansas state board of education on or after October 12, 2010, and any subsequent amendments to the common core standards. "Common core state standards" includes "common core state standards for English language arts & literacy in history/social studies, science, and technical subjects," "common core state standards for mathematics" and the "Kansas college and career ready standards."";

On page 2, by striking all in lines 30 and 31
