SUBJECT: Fiscal Note for HB 2025 by House Committee on Judiciary

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2025 is respectfully submitted to your committee.

HB 2025 would put into law the current practice of authorities providing on request to the Kansas Commission on Peace Officers Standards and Training all documentation related a law enforcement officer under investigation. The bill also states that a person whose law enforcement certificate has been revoked may petition for reinstatement to the Commission every five years.

HB 2025 would not have a fiscal effect on the Kansas Commission on Peace Officers Standards and Training.
