The Honorable Daniel Hawkins, Chairperson  
House Committee on Health and Human Services  
Statehouse, Room 521-E  
Topeka, Kansas 66612

Dear Representative Hawkins:

**SUBJECT:** Fiscal Note for HB 2149 by House Committee on Health and Human Services

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2149 is respectfully submitted to your committee.

HB 2149 would establish a system of reimbursement to medical care facilities that provide medically necessary donor human breast milk for any recipient of medical assistance under the Kansas program of medical assistance administered by the Kansas Department of Health and Environment (KDHE).

Passage of the bill would require KDHE to update rules and regulations and amend the Medicaid State Plan. The fiscal effect of the bill for KDHE would be negligible.

Sincerely,

Shawn Sullivan,  
Director of the Budget
