

March 4, 2015

The Honorable Dennis Hedke, Chairperson  
House Committee on Energy and Environment  
Statehouse, Room 581-W  
Topeka, Kansas 66612

Dear Representative Hedke:

**SUBJECT:** Fiscal Note for HB 2373 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2373 is respectfully submitted to your committee.

HB 2373 would amend current law to create a January 1, 2016 sunset for the Renewable Energy Standards Act. The bill would also delete all references to net renewable generation capacity for calendar years 2016 through 2020.

The League of Kansas Municipalities indicates that it is not possible to estimate the fiscal effect of the bill on Kansas cities. Passage of the bill would have no fiscal effect for the Kansas Corporation Commission.

Sincerely,

Shawn Sullivan,  
Director of the Budget
