The Honorable Janice Pauls, Chairperson  
House Committee on Federal and State Affairs  
Statehouse, Room 285-N  
Topeka, Kansas 66612

Dear Representative Pauls:

**SUBJECT:** Fiscal Note for HB 2658 by House Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2658 is respectfully submitted to your committee.

HB 2658 would require medical doctors who perform “convenient human abortions” to disclose that they do so to new and existing patients. The bill would define a “convenient abortion” as one in which there is no physical or psychological necessity for the procedure to be performed. The bill would be part of and supplemental to the Woman’s Right to Know Act (WRTK) which is published by the Kansas Department of Health and Environment.

Estimated State Fiscal Effect				
	FY 2016 SGF	FY 2016 All Funds	FY 2017 SGF	FY 2017 All Funds
Revenue	--	--	--	--
Expenditure	--	--	\$28,650	\$28,650
FTE Pos.	--	--	--	--

The passage of HB 2658 would require KDHE to update WRTK Act materials which the Department is required to publish and distribute. This would require KDHE to make changes to the website and provide updated brochures to health clinics, necessitating a word by word review of all current WRTK information (print, video, and website). The review would be done by existing staff without additional resources; however, the cost of the revision, printing, and distribution of updated materials would total \$28,650 from the State General Fund. The cost estimate includes \$18,450 for printing; \$1,000 for supplies to produce DVDs; \$7,000 in contractual services to produce English/Spanish voice over versions; \$2,000 for postage; and \$200 for communications.
