33 (b) The secretary of revenue shall provide notice of the exemption  
34 period to retailers at least 60 days prior to the first day of the calendar  
35 quarter in which the exemption period established in K.S.A. 79-3606(III),  
36 and amendments thereto, commences.

37 (c) The following procedures are to be used in administering the  
38 exemption as provided in K.S.A. 79-3606(III), and amendments thereto:

39 (1) A sale of eligible property under a layaway sale qualifies for the  
40 exemption if:

41 (A) Final payment on a layaway order is made by, and the property is  
42 given to, the purchaser during the exemption period; or

43 (B) the purchaser selects the property and the retailer accepts the

1 order for the item during the exemption period for immediate delivery  
2 upon full payment, even if delivery is made after the exemption period;

3 (2) there shall be no change during the period of exemption for the  
4 handling of a bundled sale as treated for sales tax purposes at times other  
5 than the exemption period;

6 (3) a discount by the seller reduces the sales price of the property and  
7 the discounted sales price determines whether the sales price is within the  
8 price threshold provided in K.S.A. 79-3606(III), and amendments thereto.  
9 A coupon that reduces the sales price is treated as a discount if the seller is  
10 not reimbursed for the coupon amount by a third party. If a discount  
11 applies to the total amount paid by a purchaser rather than to the sales  
12 price of a particular item and the purchaser has purchased both eligible  
13 property and taxable property, the seller should allocate the discount based  
14 on the total sales prices of the taxable property compared to the total sales  
15 prices of all property sold in that same transaction;

16 (4) articles that are normally sold as a single unit must continue to be  
17 sold in that manner. Such articles cannot be priced separately and sold as  
18 individual items in order to obtain the exemption;

19 (5) a rain check allows a customer to purchase an item at a certain  
20 price at a later time because the particular item was out of stock. Eligible  
21 property that customers purchase during the exemption period with use of  
22 a rain check will qualify for the exemption regardless of when the rain  
23 check was issued. Issuance of a rain check during the exemption period  
24 shall not qualify eligible property for the exemption if the property is  
25 actually purchased after the exemption period;

26 (6) the procedure for an exchange in regards to an exemption is as  
27 follows:

28 (A) If a customer purchases an item of eligible property during the  
29 exemption period, but later exchanges the item for a similar eligible item,  
30 even if a different size, different color or other feature, no additional tax is  
31 due even if the exchange is made after the exemption period;

32 (B) if a customer purchases an item of eligible property during the  
33 exemption period, but after the exemption period has ended, the customer  
34 returns the item and receives credit on the purchase of a different item, the  
35 appropriate sales tax is due on the sale of the new item; and

36 (C) if a customer purchases an item of eligible property before the  
37 exemption period, but during the exemption period the customer returns  
38 the item and receives credit on the purchase of a different item of eligible  
39 property, no sales tax is due on the sale of the new item if the new item is  
40 purchased during the exemption period;

41 (7) delivery charges, including shipping, handling and service  
42 charges, are part of the sales price of eligible property. For the purpose of  
43 determining the price threshold, if all the property in a shipment qualifies

1 as eligible property and the sales price for each item in the shipment is  
2 within the price threshold, then the seller does not have to allocate the  
3 delivery, handling or service charge to determine if the price threshold is  
4 exceeded. The shipment will be considered a sale of eligible products. If  
5 the shipment includes eligible property and taxable property, including an  
6 eligible item with a sales price in excess of the price threshold, the seller  
7 should allocate the delivery charge by using:

8 (A) A percentage based on the total sales prices of the taxable  
9 property compared to the total sales prices of all property in the shipment;  
10 or

11 (B) a percentage based on the total weight of the taxable property  
12 compared to the total weight of all property in the shipment; and

13 (C) the seller must tax the percentage of the delivery charge allocated  
14 to the taxable property but does not have to tax the percentage allocated to  
15 the eligible property;

16 (8) for the purpose of an exemption, eligible property qualifies for the  
17 exemption if:

18 (A) The item is both delivered to and paid for by the customer during  
19 the exemption period; or

20 (B) the customer orders and pays for the item and the seller accepts  
21 the order during the exemption period for immediate shipment, even if  
22 delivery is made after the exemption period. The seller accepts an order  
23 when the seller has taken action to fill the order for immediate shipment.  
24 Actions to fill an order include placement of an in date stamp on a mail  
25 order or assignment of an order number to a telephone order. An order is  
26 for immediate shipment when the customer does not request delayed  
27 shipment. An order is for immediate shipment, notwithstanding that the  
28 shipment may be delayed because of a backlog of orders or because stock  
29 is currently unavailable to, or on back order by, the seller;

30 (9) for a 60-day period immediately after the exemption period, when  
31 a customer returns an item that would qualify for the exemption, no credit  
32 for or refund of sales tax shall be given unless the customer provides a  
33 receipt or invoice that shows tax was paid, or the seller has sufficient  
34 documentation to show that tax was paid on the specific item. This 60-day  
35 period is set solely for the purpose of designating a time period during  
36 which the customer must provide documentation that shows that sales tax  
37 was paid on returned merchandise. The 60-day period is not intended to  
38 change a seller's policy on the time period during which the seller will  
39 accept returns; and

40 (10) the time zone of the seller's location determines the authorized  
41 time period for a sales tax holiday when the purchaser is located in one  
42 time zone and a seller is located in another.

43 (d) The provisions of this section shall be a part of and supplemental

1 to the Kansas retailers' sales and compensating tax act.

2 Sec. 2. K.S.A. 2014 Supp. 79-3606 is hereby amended to read as  
3 follows: 79-3606. The following shall be exempt from the tax imposed by

8 purpose of constructing, equipping, reconstructing, maintaining, repairing,  
9 enlarging, furnishing or remodeling facilities for any political subdivision  
10 of the state or district described in subsection (s), the total cost of which is  
11 paid from funds of such political subdivision or district and which would  
12 be exempt from taxation under the provisions of this act if purchased  
13 directly by such political subdivision or district. Nothing in this subsection  
14 or in the provisions of K.S.A. 12-3418, and amendments thereto, shall be  
15 deemed to exempt the purchase of any construction machinery, equipment  
16 or tools used in the constructing, equipping, reconstructing, maintaining,  
17 repairing, enlarging, furnishing or remodeling facilities for any political  
18 subdivision of the state or any such district. As used in this subsection,  
19 K.S.A. 12-3418 and 79-3640, and amendments thereto, "funds of a  
20 political subdivision" shall mean general tax revenues, the proceeds of any  
21 bonds and gifts or grants-in-aid. Gifts shall not mean funds used for the  
22 purpose of constructing, equipping, reconstructing, repairing, enlarging,

41 were entitled to exemption under this subsection. As an alternative to the  
42 foregoing procedure, any such contracting entity may apply to the  
43 secretary of revenue for agent status for the sole purpose of issuing and

2 issuing and furnishing project exemption certificates to contractors  
3 pursuant to rules and regulations adopted by the secretary establishing  
4 conditions and standards for the granting and maintaining of such status.

6 shall be subject to audit by the director of taxation. Any contractor or any  
7 agent, employee or subcontractor thereof, who shall use or otherwise  
8 dispose of any materials purchased under such a certificate for any purpose  
9 other than that for which such a certificate is issued without the payment
