

Criminal History Calculation; HB 2053

HB 2053 amends statutes governing the calculation of criminal history to specify that any prior adult felony conviction, prior misdemeanor, or prior juvenile adjudication for offenses committed before July 1, 1993, shall be scored as a person or nonperson crime using a comparable offense under the Kansas Criminal Code that was in effect on the date the current crime of conviction was committed. The bill states these amendments are procedural in nature and shall be construed and applied retroactively, and the bill contains a severability provision.
