

SESSION OF 2015

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 250**

As Recommended by Senate Committee on  
Ways and Means

**Brief\***

SB 250 would remove the requirement that the Secretary of Administration provide a monthly progress report to the Joint Committee on State Building Construction regarding progress on existing projects.

**Background**

The Director of Legislative and Public Affairs of the Kansas Department of Administration testified in support of the bill. The Director indicated the bill was the product of the Office of the Repealer and, due to a reduction in the amount of oversight and project management the Division of Facilities Management provides to Regents institutions, the reports are of limited value. The Director indicated the Division of Facilities Management would continue to provide monthly reports on change orders on these and other construction projects. There was no other testimony on the bill.

According to the fiscal note prepared by the Division of the Budget, the bill would have no fiscal effect on agency operations.
