

SESSION OF 2015

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 301**

As Amended by Senate Committee on Ways  
and Means

**Brief\***

SB 301 would reconcile amendments to statutes that have been amended more than once during the 2015 Legislative Session and previous sessions. The bill would combine non-contradictory amendments from enacted legislation to produce one version of the statute.

**Background**

The Revisor of Statutes submits a bill of this type annually to reconcile conflicting statutes.

The Senate Committee on Ways and Means amended the bill to remove a section containing conflicting statutes that have already been reconciled in another bill.

The fiscal note prepared by the Division of the Budget indicated this bill, as introduced, would have no fiscal effect.
