

SESSION OF 2016

SUPPLEMENTAL NOTE ON SENATE BILL NO. 312

As Recommended by Senate Committee on
Education

Brief*

SB 312 would extend the sunset of a statute requiring the Legislative Division of Post Audit (LPA) to conduct three school district efficiency audits each fiscal year from June 30, 2017, to June 30, 2020.

The bill also would allow a school district to decline participation in an efficiency audit if the district has participated in a similar audit in the past ten years. Current law allows a school district to decline participation if it has participated in a similar audit in the past five years.

Background

The bill was introduced by the Legislative Post Audit Committee. At the Senate Committee on Education hearing on the bill, a representative of the Kansas Association of School Boards offered written testimony in support of the bill, and a representative of LPA offered neutral testimony. There was no opponent testimony.

The fiscal note prepared by the Division of the Budget indicated the bill would have no fiscal effect.

The Senate Committee recommended the bill be placed on the Consent Calendar.
