

SESSION OF 2016

SUPPLEMENTAL NOTE ON SENATE BILL NO. 325

As Recommended by Senate Committee on
Corrections and Juvenile Justice

Brief*

SB 325 would amend the list of persons and entities with access to the official file and social file in a child in need of care proceeding to add to the list any county or district attorney from another jurisdiction with a pending child in need of care matter regarding any of the same parties.

Background

The bill was introduced by the Senate Committee on Corrections and Juvenile Justice at the request of the Kansas County and District Attorneys Association (KCDAA). In the Senate Committee hearing, a representative of KCDAA testified in support of the bill. A representative of the Department for Children and Families submitted written neutral testimony. There was no opponent testimony. The Senate Committee recommended the bill be passed and be placed on the Consent Calendar.

According to the fiscal note prepared by the Division of the Budget on the bill, the Office of Judicial Administration and the League of Kansas Municipalities state the bill would not have a fiscal effect. The Kansas Association of Counties indicates some additional staff time could be associated with granting access to files, but any cost would be nominal. Any fiscal effect is not reflected in *The FY 2017 Governor's Budget Report*.
