Background

The Executive Director of the KGEC requested the bill and was the sole conferee in the Senate Committee on Ethics and Elections. She stated a fee increase has been recommended by the KGEC in its Annual Report and Recommendations since 2011, the KGEC became a fee agency in 1991, fees were last increased in 2000,

approximately 39 percent of the KGEC's operations will be funded through the Fee Fund this year and, if fees are not increased, the KGEC Fee Fund will be depleted in FY 2018.

According to the fiscal note prepared by the Division of the Budget, enactment would result in increased revenues of \$51,210 to the KGEC Fee Fund in FY 2016. Because the bill would not change the procedure for handling the amounts collected, it is expected the bill would have little or no fiscal effect on either the Secretary of State or the State Treasurer. Any fiscal effect associated with the bill is not reflected in *The FY 2016 Governor's Budget Report*.
