MINUTES OF THE HOUSE VISION 2020 COMMITTEE

The meeting was called to order by Chairman Tom Sloan at 1:40 p.m. on January 13, 2010, in Room 785 of the Docking State Office Building.

All members were present except:

Representative Barbara Bollier- excused
Representative Barbara Craft- excused
Representative Tom Hawk- excused
Representative Don Navinsky- excused
Representative Lee Tafanelli- excused

Committee staff present:

Art Griggs, Office of the Revisor of Statutes
Doug Taylor, Office of the Revisor of Statutes
Corey Carnahan, Kansas Legislative Research Department

Mary Koles, Committee Assistant

Conferees appearing before the Committee:

Corey Carnahan, Kansas Legislative Research Department

Chairman Sloan welcomed the Committee members and announced that today the Committee will consider a bill introduction request submitted by the Leavenworth County Attorney regarding electronic eavesdropping. He briefly delineated the history of the request and called for a motion to introduce the request for an electronic eavesdropping bill. It was moved and seconded that the Committee proceed with the request for an electronic eavesdropping bill. The motion was tabled until later in the meeting.

Corey Carnahan, Kansas Legislative Research Department, presented a summary of Vision 2020's work during the 2009 Legislative Session. He noted two House Concurrent Resolutions, **HCR 5012** regarding the Missouri River Basin and **HCR 5013** working with the Secretary of the Army on Civil Works (Attachment 1).

Chairman Sloan announced that on Wednesday, January 20, the Committee will hear **HB 2428 - Creating the Kansas reservoir sustainability fund**. He also explained that Vision 2020 will focus on higher education during the Legislative Session. The format will include many presentations and opportunities for discussion and to question the presenters.

Returning to the tabled motion requesting an electronic eavesdropping bill, Chairman Sloan asked if there was further discussion; there was none. The motion carried.

The next meeting is scheduled for January 20, 2010.

The meeting was adjourned at 2:05 p.m.

In addition to the topics listed above, the Committee heard testimony from several conferees on community foundations.

Legislation

The Committee introduced two resolutions relating to the health of federal reservoirs. HCR 5012 called upon Congress to authorize and fund a study of the Missouri River Basin. HCR 5013 called upon the Assistant Secretary of the Army for Civil Works to work with the State of Kansas to extend the productive lives of reservoirs.

Both resolutions passed the House of Representatives and have been referred to the Senate Committee on Natural Resources. No additional legislation was introduced.
