Prayer by Rep. Powell:

Lord, We begin by thanking You for Your goodness, and for the privilege and honor to serve here. We recognize our need for You this day. You say if we lack wisdom, we can ask of You, and you'll provide it generously, when we ask in faith. So, we come before You to acknowledge that without You, we have nothing of value to bring to the table, but with You, we have everything we need. With that in mind, we thank You for Your provision of wisdom and knowledge.

And, we ask that above all, we'd be filled, guided, and motivated by Your great love in both motive and action. Touch us afresh this day to conduct ourselves in a manner befitting to this high calling of public service, and in a way that honors Your name.

It's in Jesus' name we ask this. Amen!

The Pledge of Allegiance was led by Rep. Hoffman.

EXPLANATION OF VOTE

MR. SPEAKER: I vote No on **HB 2509**. Unlike other areas of county budgets, elections affect the basic right of citizens to select their government officials. Controlling the Election Commissioner through control of the budget can only result in disenfranchised voters through fewer polling places, fewer poll workers, longer lines, eliminating notices for elections, and causing delays in counting the results. The very people who are canvassing the results of an election should not also have power over the process of the election. For these reasons, I vote No on **HB 2509**. — KEITH ESAU, JOHN CARMICHAEL

EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on **HB 2599** because “Wichita” license plates will benefit the Wichita Parks Foundation. The foundation is vital to improving Wichita parks, many of which are in my district. That said, license plates are for identification of vehicles, not a billboard for state sponsored political speech. Today it’s “Choose Life.” Tomorrow will it be “Have an Abortion?” Our First Amendment rights are sacred, but our political, religious and moral beliefs belong on a bumper sticker, not a government sanctioned license plate. Notwithstanding this, for today, I vote yes on **HB 2599**. – JOHN CARMICHAEL

EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on **HB 2674**. Telemedicine saves lives. Kansas law already requires face to face consultation with a physician prior to termination of a pregnancy. With or without the “Abortion” provision, this will remain the law. The presence of the “Abortion” provision invites litigation costing hundreds of thousands, if not millions of dollars, which could be better used to reduce terminations of pregnancy through child care assistance to single mothers. Instead, we will pay lawyers and endanger telemedicine in Kansas. Notwithstanding this fact, I vote yes on **HB 2674**. –

EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on **HB 2457**. Asbestos is a known human carcinogen and yet for years, worker's lives have been placed at risk due to exposure from this occupational health hazard, including, but not limited to: firefighters, veterans, machinists, and locomotive engineers. This is an unnecessary law that would impact very few cases in Kansas. It sends the wrong message to those injured workers (and their family) who's lives have been shortened due to asbestos exposure. I cannot support any measure that would limit or make filing claims more difficult for individuals who have been dealt a death sentence from exposure to asbestos. — PAM CURTIS
