*Dedicated to Ensuring the Health of KANSAS Pets  
and the Humane Care of ALL Animals.*

Chairman Hoffman and Members of the Committee:

Kansas Pet Professionals Fully supports House Bill 2477. We know firsthand the importance of an Inspection program. It keeps the breeders, pets store, shelters, and fosters in compliance with state laws. A fee increase will insure that the needed funding will be available to keep the Animal Facilities Inspection Program funded.

**Please Vote Yes to HB2477 as written without any attachments.**

Together we will Keep Kansas Pets Shinning and will continue to be the “Model State” that we are known for since the implementation of the Kansas Pet Animal Act!

Sincerely,

**Michelle Russell**
