To whom it may concern.

My name is Staci Williams and I am one of the owners of Petland Topeka. After discussion with many of the pet stores in Kansas we do feel that the fee increase is needed.

As pet stores we are firm believers in accountability and the inspections enforce this accountability, not only with breeders but with stores and rescue facilities. In reviewing the proposed bill we are 100 % in favor of a yes vote as long as there are no changes to the current language or any new attachments.

Please help Kansas continue to be a leader in our industry! Feel free to call me with any questions or concerns.

Sincerely,

Staci Williams
