TESTIMONY IN SUPPORT OF HB 2039

Mr. Chairman, members of the committee, I am appearing today in support of HB 2039, making the Kansas Airport Improvement Program permanent.

The Kansas Airport Improvement Program is working across the state of Kansas to improve air service and economic development opportunities. The program is currently part of the T-WORKS transportation program. I am asking today that you make this program permanent to provide certainty to our airports as they complete long-term plans for expansion and improvement.

Please support Kansas airports and economic development by voting HB 2039 out of committee favorably.

Sincerely,

J.R. Claeys
