

Chairman Aurand & Rep Ralph,

I reached out to our research dept to see if we had updated numbers for the 17-18 School year yet and he provided the below info. While this is only based on a 63% response rate so far, 42% of the districts responding indicated they have some form of teacher due process in their contracts.

Here is a list of the districts that indicated this info:

USDName

Rock Hills USD 107	Holcomb USD 363
