MEMORANDUM

TO: Rep. John Barker, Chairman, House Committee on Federal and State Affairs

FROM: Debbi Beavers, Director, Alcoholic Beverage Control Division

DATE: 14 February 2017

SUBJECT: Neutral Testimony on House Bill 2141 (written only)

Mr. Chairman and members of the committee. Thank you for the opportunity to testify on this bill.

Section 1 would remove the prohibition to issue a drinking establishment or drinking establishment/caterer license for a person with a beneficial interest in a manufacturer's license. It also prohibits the direct sale of the manufacturer's alcoholic liquor to the drinking establishment or the drinking establishment/caterer's license.

ABC would respectfully request that the drinking establishment or the drinking establishment/caterer not be allowed on the same premise as the manufacturer's license.

Thank you Mr. Chairman.
