HB 2615 – Providing a child and dependent care tax credit

To the respected members of the House Tax Committee,

HB 2615 provides a child and dependent care tax credit that essentially doubles the current child care tax credit.

The cost of this would be \$9,200,000 in 2019 and increases to \$17 million per year in 2023.

This could be paid for with revenue from 2661 or 2618.

Thank You,
