

Testimony in support of Choose Life License Plate
Transportation Committee

Thank you Mr. Chairman Proehl and Committee, and thank you for hearing/reading my testimony.

My name is James Tucker. I am Pastor of the Diamond Community Church, and I am here to voice my support for HB2678, the Choose Life license plate because I believe it is fundamentally wrong to kill unborn children. I want to support life any way I can. I think a license plate with Choose life on it is a good idea and would save lives. I don't want the blood of innocent life on my hands.

Thank you Chairman Proehl and Committee for your time and consideration. It is an honor to speak before you. I hope and pray that when you work this bill you would pass it out favorably from your committee.

Thank You,
Pastor James Tucker
