Dear Chair Tyson and the members of the Senate Committee on Assessment and Taxation:

I am writing in support of the Comprehensive Tax Reform bill (SB 188).

We moved to Kansas from Missouri specifically for the schools, but with the tax cuts that have taken place over the last few years, the schools aren't what they used to be. Class sizes have grown, field trips have disappeared, it's obvious they aren't meeting the same standards that they used to.

I ask that you support SB 188 and re-invest in our schools and communities.

Thank you for your consideration,

Nicole Novak
