Senate Bill 424

Presented by

Jim McNiece

Legislative Liaison, Kansas State Board of Education

Madam Chair and Members of the Committee:

Thank you for the opportunity to appear today to present testimony concerning Senate Bill 424. The Kansas State Board of Education stands in opposition to Senate Bill 424. The creation of an education inspector general under the jurisdiction of the State Treasurer for the purpose of monitoring the State Department of Education and school districts in Kansas is in conflict with Article 6 of the Kansas Constitution.
