In Opposition  
Testimony: Written Only

Dear Chairman Bud Estes and the members of the Senate Committee on Federal and State Affairs:

I am writing to voice my opposition SCR1611: Making application to the U.S. congress to call a convention of the states.

The great driver of this application seems to be the desire for a balanced budget amendment by a small group. The more prudent means of amending the constitution would be a wiser course.

I ask that you oppose SCR1611. The way we amend the US Constitution has worked well for over 200 years and we should keep amending it in the same way.

Thank you for your consideration,

William King
