In Opposition

Testimony: Written Only

Dear Chairman Bud Estes and the members of the Senate Committee on Federal and State Affairs:

I am writing to voice my opposition SCR1611: Making application to the U.S. Congress to call a convention of the states.

A constitutional convention could allow a few politicians and powerful interests to be given enormous power to change the Constitution. It is chilling to think of the amendments that could be decided by a few delegates.

I ask that you oppose SCR1611. We should keep the way the Constitution can be amended as it is. This method has served us well for more than 200 years.

Thank you for your consideration,

Sondra G. Raile
