HB 2476

Philip Bradley

Proponent Testimony

Senate Federal & State Affairs Committee

Chairman, and Senators of the Committee,

I am Philip Bradley representing the Craft Brewers Guild of Kansas. Thank you for the opportunity to present testimony today.

We are in favor of the changes to KS Statutes that this bill addresses in the microbrewery law.

There are currently 45 Microbrewery and Package Warehouse Facility Licenses in Kansas. There is an ABC created map attached to this testimony.

There have been growlers since the beginning of Microbreweries in Kansas. There is even language in the statutes and regs addressing how they are taxed. We thank the ABC for bringing clear language for the actual practice.

The microbrewery language was originally HB 2475 and was amended in whole into HB 2476 by the House committee.

We ask you to **pass favorably, with amendments, HB 2476.**

Thank you for your time.

Philip Bradley
