Testimony in Support of HB 2599 – Special Olympics Kansas license plate
Senate Transportation Committee

Honorable Chair – Mike Petersen
Vice Chair – John Doll
Ranking Minority – Pat Pettey
Honorable Committee Members

Thank you, Mr. Chairman and other esteemed members of the Committee. Thank you for the opportunity to speak in support of House Bill 2599.

My name is Senator Richard Hilderbrand,

and I am writing to voice my support for HB 2599, the Special Olympics Kansas license plate bill. I had previously testified as a proponent to SB 397 – Providing for the Choose Life license plate bill.

The Choose Life license plate has been approved in 32 states and Washington, D.C., Oklahoma, Missouri, and Nebraska are among those state. It is time for Kansas to join this list.

Thank you, Chairman, Petersen and Committee for your time and consideration it was an honor to speak before you. I pray that when you work this bill you would pass it out favorably from your committee.

Thank you,

Senator Richard Hilderbrand
