Senate Bill # 314

Amending KSA 68-589

I'm Onis Lemon, Treasurer of Mission Township in Shawnee County Kansas.

I'm here in support of amending KSA 68-589 to include Townships. I believe the intent & spirit of the original statute was to include Townships. We were mentioned in the heading but not in the body description of the statute. We being an Urban Township should have the ability, as should all Townships, to use our reserve funds not only to purchase equipment but we should be able to use those funds to build and maintain new roads within the Townships. By including Townships in the bill, we will be able to do just that.

Your affirmative vote regarding this bill will be appreciated.

Thank you for allowing me to speak.

Onis Lemon,
Treasurer
