Chairwoman McGinn
Senate Committee on Ways and Means

Dear: Chairwoman McGinn

I am here today before your committee in support of HB 2608, the transfer of land to the Fire District 1 of Leavenworth County.

We have been trying for many years to own the ground that we have used for many years.

This proposal will be beneficial for both the State and the Fire District as we will finally have a permanent home and the KDOC will no longer be burdened with furnishing us with utilities.

We will continue to service LCF fire protection as we do at this time.

Sincerely,

Rick Huhn
Fire Chief
