Conference Committee Action

The second Conference Committee agreed to remove the contents of SB 375 relating to exemptions to limits on vehicle weights and lengths (these provisions were added to the Conference Committee report for Sub. for SB 272); and insert the contents of HB 2531, as amended by the Senate Committee on Transportation, but removed the provisions similar to 2017 SB 45, relating to a memorial highway designation for Governor Carlin upon his death.

Background

The bill contains provisions of HB 2531 and HB 2436.

HB 2531 (Trooper Memorial Highways)

HB 2531 was requested by Representative Proehl on behalf of KHP.

In the House Committee on Transportation hearing, the Superintendent of KHP testified as a proponent. He stated the people being honored are those who have died on KHP

duty since KHP's inception in 1937. He provided information on each of the troopers to be so honored. A representative of the Kansas State Troopers Association also provided proponent testimony.

A representative of the Kansas Department of Transportation (KDOT) provided neutral testimony, stating the bill would not be cost neutral for KDOT and that nicknames have not been allowed on designations to date. No opponent testimony was provided.

The House Committee recommended the bill be placed on the Consent Calendar.

The current portions of highway in the designations to be amended (and the year each was first enacted) are these:

- Eisenhower Memorial Highway (1967), K-15 across Kansas (the Eisenhower/Truman Presidential Highway is I-70 from Missouri to K-15);
- Turkey Wheat Trail Highway (1974), US-50, Emporia to Dodge City;
- The Yellow Brick Road (1982), US-54 from the west city limits of Greensburg southwest to the Oklahoma state line;
- State Fair Freeway (1995), K-96 from the west city limits of Wichita to the west city limits of Hutchinson;
- Veterans of Foreign Wars Memorial Highway (2002), US-84 from the Nebraska state line to the Oklahoma state line; and
- 75th Division of the United States Army Highway (2004), US-24 from the west city limits of Topeka to the west junction of US-24 and K-177 and K-18, then west on K-18 through Manhattan to the junction with I-70.

In the Senate Committee on Transportation hearing, the Superintendent of KHP testified as a proponent. No other testimony was provided.

The Senate Committee amended the bill to correct an initial in a designation; specify a sign indicating a commemorative designation shall include specified rank or title, if applicable; add the contents of HB 2436 and add "Master Deputy" to the designation; and add provisions similar to 2017 SB 45 but including "Governor" and delaying the designation until the death of former Governor Carlin. [Note: The second Conference Committee retained these amendments except for the provisions similar to 2017 SB 45.]

According to the fiscal note prepared by the Division of the Budget on HB 2531, as introduced, KDOT indicates implementation of the bill would require an increase of \$32,880 to the expenditure limitation on the agency operations account in FY 2019. Adding increases related to HB 2436 would increase the amount of expenditure limitation required to \$37,340, based on the fiscal note for HB 2436, as introduced. Any fiscal effect associated with enactment of HB 2531 is not reflected in *The FY 2019 Governor's Budget Report*.

HB 2436 (Master Deputy Brandon Collins Memorial Highway)

Representatives Resman and Tarwater introduced HB 2436. In the House Committee on Transportation hearing, Representative Resman and a representative of the Johnson County Sheriff's Department presented proponent testimony. According to testimony, Master Deputy Collins of the Johnson County Sheriff's Department was killed during a traffic stop on September 11, 2016, when his patrol vehicle was struck from behind by a pickup. He was the third Johnson County deputy to be killed since the office began service in 1861.

No other testimony was provided.

The House Committee requested the bill be placed on the Consent Calendar.

In the Senate Committee on Transportation hearing, Representative Resman and a representative of the Johnson County Sheriff's Department provided proponent testimony. No other testimony was provided.

The Senate Committee added the contents of the bill into HB 2531.

According to the fiscal note prepared by the Division of the Budget on HB 2436, as introduced, KDOT estimates it would cost \$4,460 to manufacture and install two signs along the portion of highway designated in the bill showing the designation. Including an additional 50.0 percent of the initial cost to defray future sign maintenance, the Secretary would need to receive a total of \$6,690 from donations to install the signs. KDOT indicates implementation of the bill would require an increase of \$4,460 to an expenditure limitation for the agency operations account. Any fiscal effect associated with enactment of HB 2436 is not reflected in *The FY 2019 Governor's Budget Report*.
