Sam Brownback, Governor

January 26, 2017

The Honorable John Barker, Chairperson
House Committee on Federal and State Affairs
Statehouse, Room 285-N
Topeka, Kansas 66612

Dear Representative Barker:

SUBJECT: Fiscal Note for HB 2102 by House Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2102 is respectfully submitted to your committee.

Under current law, counties with a population of over 8,000 people are required to hold board of county commissioner meetings on the first Monday of each month. HB 2102 would require all counties, regardless of population, to hold monthly board meetings on a day set by the board. Meetings would not be required to be held on the first Monday of each month.

The bill would have no fiscal effect for the state. The Kansas Association of Counties indicates that HB 2102 may increase expenditures from some Kansas counties if those counties are not holding monthly meetings. The bill would require all counties to hold monthly meetings and the requirement could increase county expenditures.

Sincerely,

A handwritten signature in black ink, appearing to read "Shawn Sullivan", with a long horizontal line extending to the right.

Shawn Sullivan,
Director of the Budget
