

January 30, 2017

The Honorable Troy Waymaster, Chairperson
House Committee on Appropriations
Statehouse, Room 111-N
Topeka, Kansas 66612

Dear Representative Waymaster:

SUBJECT: Fiscal Note for HB 2144 by House Committee on Appropriations

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2144 is respectfully submitted to your committee.

HB 2144 would require that beginning January 1, 2017, any classified state employee who voluntarily transfers to the unclassified service would be prohibited from being rehired or transferred to a position in the classified service within the same agency.

The Department of Administration indicates that the bill would not have a fiscal effect on most agencies. The Department notes, however, there are some agencies that are statutorily required to fill certain positions in the classified service and may be restricted from filling the positions with qualified internal applicants.

Sincerely,

Shawn Sullivan,
Director of the Budget
