The Honorable John Barker, Chairperson  
House Committee on Federal and State Affairs  
Statehouse, Room 285-N  
Topeka, Kansas 66612

Dear Representative Barker:

**SUBJECT:** Fiscal Note for HB 2519 by Representative Swanson

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2519 is respectfully submitted to your committee.

HB 2519 would exempt Kansas from observing federal daylight saving time provisions beginning the first Sunday in November of 2018 at 2:00 a.m. The bill would not affect any actions, rights, or movements governed by federal law.

Estimated State Fiscal Effect				
	FY 2018 SGF	FY 2018 All Funds	FY 2019 SGF	FY 2019 All Funds
Revenue	--	--	--	--
Expenditure	--	--	750,000	750,000
FTE Pos.	--	--	--	--

The Office of Information Technology Services (OITS) indicates that enactment of HB 2519 would increase expenditures by \$750,000 from the State General Fund to conduct an analysis of statewide systems and software. The analysis would involve OITS identifying all systems and software that utilize a time, date and calendar function and then determining the cost of aligning affected systems and software with the provisions of HB 2519. OITS indicates that making the changes and updates to the systems and software would require further expenditures, but the total fiscal effect beyond the initial analysis cannot be estimated.
