GOVERNOR JEFF COLYER, M.D.
LARRY L. CAMPBELL, CHIEF BUDGET OFFICER

February 23, 2018

The Honorable Richard Proehl, Chairperson
House Committee on Transportation
Statehouse, Room 581-W
Topeka, Kansas 66612

Dear Representative Proehl:

SUBJECT: Fiscal Note for HB 2716 by Representatives Judd-Jenkins and Hoffman

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2716 is respectfully submitted to your committee.

HB 2716 would prohibit operating an unregistered antique military vehicle on the following highways or streets:

1. Any interstate highway, federal highway or state highway; or
2. Any public highway or street within the corporate limits of any city unless authorized by the city and unless the vehicle complies with equipment requirements under Article 17 of Chapter 8 of the Kansas Statutes Annotated (Uniform Act Regulating Traffic; Equipment of Vehicles).

The provisions of the bill would not prohibit unregistered military vehicles from crossing federal or state highways. The bill would exempt antique military vehicles from state titling and registration requirements.

The League of Kansas Municipalities estimates the fiscal effect for cities would be negligible. The Kansas Department of Revenue indicates the bill would have no fiscal effect on the agency.

Sincerely,

A handwritten signature in cursive script that reads "L. Campbell".

Chief Budget Officer
