

April 6, 2017

The Honorable Rick Wilborn, Chairperson
Senate Committee on Judiciary
Statehouse, Room 541-E
Topeka, Kansas 66612

Dear Senator Wilborn:

SUBJECT: Fiscal Note for SB 239 by Senate Committee on Assessment and Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning SB 239 is respectfully submitted to your committee.

SB 239 would make certain provisions of the Scrap Metal Theft Reduction Act unenforceable until January 1, 2019.

Estimated State Fiscal Effect				
	FY 2018 SGF	FY 2018 All Funds	FY 2019 SGF	FY 2019 All Funds
Revenue	--	(\$84,000)	--	(\$42,000)
Expenditure	--	--	--	--
FTE Pos.	--	--	--	--

According to the Office of the Attorney General, the requirement that scrap metal dealers register with the Attorney General is among the provisions that would be unenforceable until January 1, 2019. Currently, the registration fee is \$1,000 and there are 84 scrap metal dealers who have registered for calendar year 2017. If it is assumed the number of scrap metal dealers remains the same, the Office of the Attorney General would incur a reduction of \$84,000 in revenue from the Scrap Metal Theft Reduction Fund in FY 2018. Since the registration requirement would resume on January 1, 2019, or halfway through FY 2019, the reduction in FY 2019 would be \$42,000. Any fiscal effect associated with SB 239 is not reflected in *The FY 2018 Governor's Budget Report*.

Sincerely,

Shawn Sullivan,
Director of the Budget
