February 6, 2018

The Honorable Mike Petersen, Chairperson
Senate Committee on Transportation
Statehouse, Room 345-S
Topeka, Kansas 66612

Dear Senator Petersen:

SUBJECT: Fiscal Note for SB 375 by Senate Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning SB 375 is respectfully submitted to your committee.

SB 375 would exempt from current law regarding vehicle length limitations any towaway trailer transporter combination that consists of a trailer transporter towing unit and two trailers or semitrailers with a total weight not exceeding 26,000 pounds. The length of the towaway trailer transporter combination could not exceed 82 feet and cannot be carrying property. The bill would define "a trailer transporting unit" to mean a power unit that is not used to carry property when operating in a towaway trailer transporter combination.

Passage of SB 375 would have no fiscal effect on the operations of the Kansas Department of Transportation or the Kansas Highway Patrol.

Sincerely,

A handwritten signature in cursive script, reading "L. Campbell".
