

**HOUSE BILL No. 2418**

By Committee on Appropriations

4-4

1 AN ACT concerning health and healthcare; establishing an on-site state  
2 employee health clinic; making and concerning appropriations for the  
3 fiscal year ending June 30, 2018, for the department of administration.  
4

5 *Be it enacted by the Legislature of the State of Kansas:*

6 Section 1. (a) For the fiscal year ending June 30, 2018, appropriations  
7 are hereby made, restrictions and limitations are hereby imposed and  
8 transfers, capital improvement projects, fees, receipts, disbursements and  
9 acts incidental to the foregoing are hereby directed or authorized as  
10 provided in this act.

11 (b) This act shall not be subject to the provisions of K.S.A. 75-  
12 6702(a), and amendments thereto.

13 Sec. 2.

14 DEPARTMENT OF ADMINISTRATION

15 (a) There is appropriated for the above agency from the state general  
16 fund for the fiscal year ending June 30, 2018, the following:

17 On-site state employee health clinic.....\$2,700,000

18 *Provided*, That expenditures from the on-site state employee health clinic  
19 account for the construction or renovation of premises related to the  
20 establishment of an on-site state employee health clinic pursuant to section  
21 3, and amendments thereto, shall not exceed the sum of \$500,000.

22 Sec. 3. (a) Subject to appropriations, the department of administration  
23 shall procure the services of a vendor to establish an on-site state  
24 employee health clinic, including any services necessary to construct,  
25 renovate and operate such clinic.

26 (b) Any procurement contract solicited and executed pursuant to this  
27 section shall be subject to the competitive bid requirements established in  
28 K.S.A. 75-3737a et seq., and amendments thereto.

29 (c) Any procurement contract executed pursuant to this section shall  
30 include, at a minimum, the following requirements:

31 (1) The vendor shall employ a physician licensed by the state board  
32 of healing arts to oversee the clinic.

33 (2) The vendor shall provide clinic services to state employees free of  
34 charge or, for state employees who participate in the state health care  
35 benefits program and who elect a high-deductible health plan and health  
36 savings account, for the minimum charge permissible by federal law.

1 (3) The vendor shall establish and maintain an online, secure patient  
2 portal that allows secure messaging with clinic physicians, scheduling and  
3 access to the patient's personal medical record.

4 (4) The vendor shall offer, at a minimum, the following services at  
5 the clinic: General primary healthcare services; limited supply and  
6 dispensing of medications, to the extent permitted under the pharmacy act  
7 of the state of Kansas; on-site laboratory services that are granted waived  
8 status under the federal clinical laboratory improvement amendments of  
9 1988 by the United States food and drug administration; third-party  
10 laboratory services that are not granted such waived status; behavioral  
11 health services; and chiropractic services.

12 (5) The vendor shall offer clinic services that align with the state of  
13 Kansas health and wellness program administered by the department of  
14 health and environment and the Kansas state employees health care  
15 commission, including services that align with rules and regulations  
16 adopted pursuant to subsection (d).

17 (6) The vendor shall provide data security for all clinic and patient  
18 data and shall not contract with or otherwise rely upon a third party to  
19 provide such security.

20 (7) The vendor shall provide an electronic medical record system that  
21 is interoperable, that enables the exchange of health data with outside  
22 electronic medical record systems, public health entities, clinicians,  
23 administrative staff and health provider organizations and that enables  
24 physicians to view health data within the physician's work flow from other  
25 healthcare providers across healthcare delivery venues.

26 (8) The vendor shall be required to prepare a report detailing cost  
27 avoidance and return on investment over a period of five years and shall  
28 submit such report to the secretary of administration, the house of  
29 representatives standing committee on appropriations and the senate  
30 standing committee on ways and means.

31 (9) The contract shall include performance guarantees, including, but  
32 not limited to, guarantees related to: Patient experience, including patient  
33 satisfaction, wait time and complaint resolution; compliance and reporting,  
34 including near-real-time health clinic reporting, quality and peer review  
35 and regulatory compliance; and clinical outcomes, including care  
36 coordination and chronic condition management for at least three years  
37 after treatment.

38 (d) The Kansas state employees health care commission and the  
39 secretary of health and environment may adopt rules and regulations to  
40 establish criteria for providing financial or clinic incentives to state  
41 employees who participate in the state of Kansas health and wellness  
42 program administered by the department of health and environment and  
43 the Kansas state employees health care commission.

1 (e) The department of administration shall advise and consult with the  
2 Kansas state employees health care commission regarding the  
3 establishment of the on-site state health employee health clinic described  
4 in this section, including any bids submitted to establish the on-site state  
5 health employee health clinic.

6 (f) The department of administration shall advise and consult with the  
7 joint committee on state building construction regarding the identification  
8 and selection of space and premises to establish the on-site state health  
9 employee health clinic described in this section.

10 (g) The department of administration shall advise and consult with  
11 the department of health and environment regarding the operation of the  
12 on-site state employee health clinic described in this section.

13 Sec. 4. This act shall take effect and be in force from and after its  
14 publication in the statute book.
