**HB 2085** amends law regarding ignition interlock devices to require every person who has an ignition interlock device installed to complete the ignition interlock device program pursuant to rules and regulations adopted by the Secretary of Revenue. An approved service provider must provide proof of completion to the Division of Vehicles before the person's driving privileges are fully reinstated.

The bill also amends statutes governing expungements in municipal and district courts to state that provisions regarding expungement of violations of driving under the influence (DUI) or test refusal apply to all violations committed on or after July 1, 2006, except that the district court expungement provision for a second or subsequent violation does not apply to violations committed on or after July 1, 2014, but prior to July 1, 2015.
