

Journal of the House

FORTY-NINTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, March 27, 2019, 8:30 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 124 members present.

Rep. L. Ruiz was excused on excused absence by the Speaker.

Prayer by guest chaplain, Rev. Caela Wood, Pastor, First Congregational Church of Christ, Manhattan, and guest of Rep. Carlin:

Holy One, we pause for a moment before our work begins to acknowledge your presence.

As air fills our lungs, we become aware of your Spirit moving throughout creation. As we notice our feet touching the ground, we remember those who enter this room each evening to care for this space. As we feel the silence settling in, we notice how we welcome the absence of sound or how it might bring discomfort. As our bodies connect with chairs and desks, we become aware of the importance of the work that happens in this room.

When we gather in this place, we do not gather on behalf of ourselves and we do not gather alone.

For you are always with us. Your Spirit, which calls us to love more fully with each and every breath is here with us. Let us be open now to the movement of your love, your grace, your justice, your peace as we work together for the good of all Kansans. And let us be ever mindful of those who are not in this room, but are the people we have promised to serve faithfully with humility and honor.

Amen.

The Pledge of Allegiance was led by Rep. Blake Carpenter.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote Yes on **HB 2118**. When tax money is being given away at the trough, I don't want my constituents to miss out on the pork. It's important for legislators to bring home the bacon even if we don't have the money to fund Medicaid expansion. "If you can't beat 'em, join 'em!" I vote Yes on **HB 2118** – JOHN CARMICHAEL

MR. SPEAKER: I vote NO today on the wrong-headed policy choice of **HB 2118**. The state of Kansas has a limited pool of tax monies. To take \$5 million to supplement the incomes of highly-paid employees or the bottom line of profitable multi-national corporations is not thoughtful conservatism at it's best, it is crony capitalism at it's worse. The money would have been better spent supplementing the pay of over-worked correction department or law enforcement employees and their families. That would have been the better policy choice. – PAUL WAGGONER

HB 2154, AN ACT concerning employment security law; relating to availability of benefits for certain public employees required to work but not receiving wages; establishing the federal and state essential employee assistance fund; amending K.S.A. 2018 Supp. 44-703, 44-704 and 44-705 and repealing the existing sections, was considered on final action.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote No on **HB 2244**. On the surface, 5% or less content does not seem to be very much. I have seen tetrahydrocannabinol use create psychosis and mental health issues for people. Marijuana that was smoked 30 years ago had tetrahydrocannabinol level of 3.5% or below. If tetrahydrocannabinol is safe, where is the FDA Stamp of Approval? Why does Kansas Association of Chiefs of Police, Kansas Sheriffs Association, Kansas Narcotics Officers, Kansas Juvenile Officers Association, and Kansas Peace Officers stand in opposition? Why did I receive a letter from Chief of Police of Wichita, stating specific reasons to stand against this law? There are too many unanswered questions. – LEO G. DELPERDANG, RON HOWARD

MR. SPEAKER: I am voting "No" on **HB 2244** because I believe the jury is still out on the effectiveness of medical marijuana. And that is what this bill is, legalizing medical marijuana. Availability of medical marijuana has proven to be the catalyst to opening

other uses, and abuses, of marijuana. I will continue to stand against any use of marijuana in Kansas. Although I accept there are many Kansans who support this effort, I look at the major proponents of medical marijuana and it concerns me when I see the vested interest they have in seeing this type of law passed. Thank you, Mr. Speaker. – DAVID FRENCH

MR. SPEAKER: I vote no on **HB 2244** because this bill does not solve the problems being faced by those it aims to help. – DANIEL R. HAWKINS

MR. SPEAKER: I vote YES today on **HB 2244**. I see this as a bill addressing a specific issue in a responsible and tightly-controlled fashion. This is not a “first step” to legalization of anything. I appreciate the concerns of law enforcement about serious drug abuse and the social problems it causes. I am truly saddened by the mis-guided policies of Colorado, California, and other states. But this bill is not about that, it is only about Claire and Lola and families like theirs. – PAUL WAGGONER

HB 2326, AN ACT concerning firearms; relating to the personal and family protection act; age requirement for licensure; recognition of licenses issued by other jurisdictions; amending K.S.A. 2018 Supp. 21-6302, 75-7c03 and 75-7c04 and repealing the existing sections, was considered on final action.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on **HB 2326**. The Second Amendment does not create a right to carry a concealed firearm in a public place. The term “constitutional carry” is a lie. It makes me sad that so many of us don't seem to feel safe without being armed at all times. I would rather work with you to find other ways to make all of our fellow citizens feel more safe, rather than flooding our communities with more guns, which makes me and many of my constituents feel less safe. – DENNIS “BOOG” HIGHBERGER

MR. SPEAKER: I vote Yes on **HB 2326**. Yesterday we saw the 1st Amendment exercised, for the 2nd Amendment rights of the individual as the state practiced and enforced its 10th Amendment right. Ronald Reagan said, “The most terrifying words in the English language are: ‘I’m from the government and I’m here to help.’” Therefore, I have more suspicion and mistrust for politicians who swear to uphold the Constitution when at the same time, they try to restrict, limit, or take away any of my Constitutional Rights. Sometimes I find myself wondering who the real criminals are? – TREVOR JACOBS, RANDY GARBER, BILL RHILEY, MIKE HOUSER, MICHAEL CAPPS, KEN CORBET
