EXPLANATIONS OF VOTE

MR. SPEAKER: I voted “No” on **SB 66** because I believe the additional spending in this budget far exceeds the State’s capability to fund it without new taxes. With the foreseeable downturn in the economy, now is not the time to be spending more money but cutting down to the priorities we must fund.

This budget was put together under crisis and without the proper vetting required to ensure the budget can be paid for. I would have rather come back and do it right and not under pressure. Knowing that is not going to happen, I change my vote to “Yes” – DAVID FRENCH

MR. SPEAKER: The world has changed since we arrived in Topeka on January 12th. The coronavirus and resulting economic disruptions will be far reaching. It will effect FY 2021 Kansas tax revenue. We will easily see a 5% drop in revenue. This involves hundreds of millions of dollars.

To raise the state budget to over \$8.0 billion is neither wise nor sustainable. Tax revenue will be \$500 million to \$1.0 billion less than that. Let's start closing that gap now. We respect the taxpayers hard-earned dollars. They will be tightening their belts going forward. The state of Kansas needs to do so as well. I vote No on **SB 66**. – PAUL WAGGONER, ALICIA STRAUB, TREVOR JACOBS, BILL RHILEY

EXPLANATIONS OF VOTE

MR. SPEAKER: I reluctantly vote Yes on **HCR 5025**. It is an extreme situation we find ourselves in due to the Coronavirus pandemic. The possibility of governmental overreach is always great in times of emergency. But this bill keeps the executive branch on a short enough leash with legislative accountability, that I find it acceptable and in the public interest. In other states, during this crisis, we have seen shocking examples of executive power being used. I would never want that for Kansas and I think **HCR 5025** helps keep that from happening in the end. — PAUL WAGGONER

MR. SPEAKER: I vote Yes on **HCR 5025**, I do believe Kansans in this time will need some extra governmental resources and services to be made available to them as we face uncertain times. I am also thankful for the wisdom of our Founding Fathers giving us a government of checks and balances for the process of limited government and limited powers. We as legislators must always be vigilant to protect the people's liberties above all causes. Remember, "They who can give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety." Benjamin Franklin – TREVOR JACOBS, RANDY GARBER, ALCIA STRAUB, DAVID W. Sec. 3. K.S.A. 75-7435 is hereby amended to read as follows: 75-7435. (a) As used in this section unless the context requires otherwise:

(1) Words and phrases ~~have the meanings respectively ascribed thereto~~ mean the same as defined by K.S.A. 39-923, and amendments thereto.

(2) "Skilled nursing care facility" means a licensed nursing facility, nursing facility for mental health as defined in K.S.A. 39-923, and amendments thereto, or a hospital long-term care unit licensed by the department of health and environment, providing skilled nursing care, but shall not include the Kansas soldiers' home or the Kansas veterans' home.

(3) "Licensed bed" means those beds within a skilled nursing care facility ~~which~~ that the facility is licensed to operate.

(4) "Agent" means the Kansas department for aging and disability services.

(5) "Continuing care retirement facility" means a facility holding a certificate of registration issued by the commissioner of insurance pursuant to K.S.A. 40-2235, and amendments thereto.

(b) (1) Except as otherwise provided in this section ~~and in subsection (f)~~, there is hereby imposed and the secretary of health and environment shall assess an annual assessment per licensed bed, hereinafter called a quality care assessment, on each skilled nursing care facility. The assessment on all facilities in the aggregate shall be an amount fixed by rules and regulations of the secretary of health and environment, shall not exceed \$4,908 annually per licensed bed, shall be imposed as an amount per licensed bed and shall be imposed uniformly on all skilled nursing care facilities except that the assessment rate for skilled nursing care facilities that are part of a continuing care retirement facility, small skilled nursing care facilities and high medicaid volume skilled nursing care facilities shall not exceed $\frac{1}{6}$ of the actual amount assessed all other skilled nursing care facilities. No rules and regulations of the secretary of health and environment shall grant any exception to or exemption from the quality care assessment. The assessment shall be paid quarterly, with one fourth of the annual amount due by the 30th day after the end of the month of each calendar quarter. The secretary of health and environment is authorized to establish delayed payment schedules for skilled nursing care facilities ~~which that~~ are unable to make quarterly payments when due under this section due to financial difficulties, as determined by the

(2) Beds licensed after July 1 each year shall pay a prorated amount of the applicable annual assessment so that the assessment applies only for the days such new beds are licensed. The proration shall be calculated by multiplying the applicable assessment by the percentage of days the beds are licensed during the year. Any change ~~which that~~ reduces the number of licensed beds in a facility shall not result in a refund being issued to the skilled nursing care facility.

(3) If an entity conducts, operates or maintains more than one licensed skilled nursing care facility, the entity shall pay the nursing facility assessment for each facility separately. No skilled nursing care facility shall create a separate line-item charge for the purpose of passing through the quality care assessment to residents. No skilled nursing care facility shall be guaranteed, expressly or otherwise, that any additional moneys paid to the facility under this section will equal or exceed the amount of its quality care assessment.

(4) The payment of the quality care assessment to the secretary of health and environment shall be an allowable cost for medicaid reimbursement purposes. A rate adjustment pursuant to subsection (d)(5) shall be made effective on the date of imposition of the assessment, to reimburse the portion of this cost imposed on medicaid days.

(5) The secretary of health and environment shall seek a waiver from the United States department of health and human services to allow the state to impose varying levels of assessments on skilled nursing care facilities based on specified criteria. It is the intent of the legislature that the waiver sought by the secretary of health and environment be structured to minimize the negative fiscal impact on certain classes of skilled nursing care facilities.

(c) Each skilled nursing care facility shall prepare and submit to the secretary of health and environment any additional information required and requested by the secretary of health and environment to implement or administer the provisions of this section. Each skilled nursing care facility shall prepare and submit quarterly to the secretary for aging and disability services the rate the facility charges to private pay residents, and the secretary shall cause this information to be posted on the web site of the department for aging and disability services.

(d) (1) There is hereby created in the state treasury the quality care fund, ~~which shall to~~ be administered by the secretary of health and environment. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the quality care fund. All expenditures from the quality care fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of health and environment or the secretary's agent.

(2) All moneys in the quality care fund shall be used to finance initiatives to

maintain or improve the quantity and quality of skilled nursing care in skilled nursing care facilities in Kansas. No moneys credited to the quality care fund shall be transferred to or otherwise revert to the state general fund at any time. Notwithstanding the provisions of any other law to the contrary, if any moneys credited to the quality care fund are transferred or otherwise revert to the state general fund, 30 days following the transfer or reversion the quality care assessment shall terminate and the secretary of health and environment shall discontinue the imposition, assessment and collection of the assessment. Upon termination of the assessment, all collected assessment revenues, including the moneys inappropriately transferred or reverting to the state general fund, less any amounts expended by the secretary of health and environment, shall be returned on a pro rata basis to skilled nursing care facilities that paid the assessment.

(3) Any moneys received by the state of Kansas from the federal government as a result of federal financial participation in the state medicaid program that are derived from the quality care assessment shall be deposited in the quality care fund and used to finance actions to maintain or increase healthcare in skilled nursing care facilities.

(4) Moneys in the fund shall be used exclusively for the following purposes:

(C) to reimburse the medicaid share of the quality care assessment as a pass-through medicaid allowable cost;

(D) to restore the medicaid rate reductions implemented January 1, 2010;

(E) to restore funding for fiscal year 2010, including rebasing and inflation to be applied to rates in fiscal year 2011; and

(F) the remaining amount, if any, shall be expended first to increase the direct health care costs center limitation up to 150% of the case mix adjusted median, and then, if there are remaining amounts, for other quality care enhancement of skilled nursing care facilities as approved by the quality care improvement panel but shall not be used directly or indirectly to replace existing state expenditures for payments to skilled nursing care facilities for providing services pursuant to the state medicaid program.

(5) Any moneys received by a skilled nursing care facility from the quality care fund shall not be expended by any skilled nursing care facility to provide for bonuses or profit-sharing for any officer, employee or parent corporation but may be used to pay to employees who are providing direct care to a resident of such facility.

(6) Adjustment payments may be paid quarterly or within the daily medicaid rate to reimburse covered medicaid expenditures in the aggregate within the upper payment limits.

(7) On or before the 10th day of each month, the director of accounts and reports shall transfer from the state general fund to the quality care fund interest earnings based on:

(A) The average daily balance of moneys in the (Quality care fund for the preceding month; and

(B) the net earnings rate of the pooled money investment portfolio for the

preceding month.

(e) If a skilled nursing care facility fails to pay the full amount of the quality care assessment imposed pursuant to subsection (b), when due and payable, including any extensions of time granted under that subsection, the secretary of health and environment shall assess a penalty in the amount of the lesser of \$500 per day or 2% of the quality care assessment owed for each day the assessment is delinquent. The secretary of health and environment is authorized to establish delayed payment schedules for skilled nursing care facilities that are unable to make installment payments when due under this section because of financial difficulties, as determined by the secretary of health and environment.

(f) (1) The secretary of health and environment shall assess and collect quality care assessments imposed pursuant to subsection (b), including any penalty assessments imposed thereon pursuant to subsection (e), from skilled nursing care facilities on and after July 1, 2010, except that no assessments or penalties shall be assessed under subsections (a) through (h) until:

(A) An amendment to the state plan for medicaid, ~~which that~~ increases the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program and ~~which that~~ is proposed for approval for purposes of subsections (a) through (h) is approved by the federal government, in which case the initial assessment is due ~~no~~ not earlier than 60 days after state plan approval; and

(B) the skilled nursing care facilities have been compensated retroactively within 60 days after state plan approval at the increased rate for services provided pursuant to the federal medicaid program for the period commencing on and after July 1, 2010.

(2) The secretary of health and environment shall implement and administer the provisions of subsections (a) through (h) in a manner consistent with applicable federal medicaid laws and regulations. The secretary of health and environment shall seek any necessary approvals by the federal government that are required for the implementation of subsections (a) through (h).

(3) The provisions of subsections (a) through (h) shall be null and void and shall have no force and effect if one of the following occur:

(A) The medicaid plan amendment, ~~which that~~ increases the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program and ~~which that~~ is proposed for approval for purposes of subsections (a) through (h) is not approved by the ~~federal~~ United States centers for medicare and medicaid services;

(B) the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program are reduced below the rates calculated on December 31, 2009, increased by revenues in the quality care fund and matched by federal financial participation and rebasing as provided for in K.S.A. 75-5958, and amendments thereto;

(C) any funds are utilized to supplant funding for skilled nursing care facilities as required by subsection (g);

(D) any funds are diverted from those purposes set forth in subsection (d)(4); or

(E) upon the governor signing, or allowing to become law without signature, legislation ~~which that~~, by proviso or otherwise, directs any funds from those purposes set forth in subsection (d)(4) or ~~which that~~ would propose to suspend the operation of this section.

(g) On and after July 1, 2010, reimbursement rates for skilled nursing care facilities shall be restored to those in effect during December 2009. No funds generated by the assessments or federal funds generated therefrom shall be utilized for such restoration, but such funds may be used to restore the rate reduction in effect from January 1, 2010, to June 30, 2010.

(h) Rates of reimbursement shall not be limited by private pay charges.

(i) If the provisions of subsections (a) through (h) are repealed, expire or become null and void and have no further force and effect, all moneys in the quality care fund ~~which that~~ were paid under the provisions of subsections (a) through (h) shall be returned to the skilled nursing care facilities ~~which that~~ paid such moneys on the basis on which such payments were assessed and paid pursuant to subsections (a) through (h).

(j) The department of health and environment may adopt rules and regulations necessary to implement the provisions of this section.

(k) For purposes of administering and selecting the reimbursements of moneys in the quality care assessment fund, the quality care improvement panel is hereby established.
