MEMORANDUM

To: House Committee on Appropriations
From: Office of Revisor of Statutes
Date: February 13, 2020
Subject: House Bill 2535

House Bill 2535 would repeal K.S.A. 55-163 which required the Kansas corporation commission and the secretary of the Kansas department of health and environment to enter into an interagency agreement for the purpose of integrating agency field operations for oil and gas activities. The law required such agreement to be submitted to the governor on or before November 1, 1982, for approval, and to be submitted to the legislature at the start of the 1983 legislative session.
