Subject: HB 2703 Preempting local building and construction codes more stringent than national model codes, with certain exceptions.

Honorable Chairman, Vice-Chairman and Committee Members,

I am Lonny Wright, a retired Wichita plumber and secretary of the Kansas Mechanical Trade Stakeholders (KMTS), a volunteer organization of 200 inspectors, educators, building trade persons, businesses, associations and unions.

KMTS formed around 15 years ago to discuss and make recommendations to the legislature on bills of interest to us.

Please allow us time to evaluate how this Bill may impact us and your Cities and Counties.

Respectfully,

Lonny Wright, KMTS secretary
