Re: Written Testimony in Opposition to HB 2625

Thank you for allowing the City of Overland Park to submit testimony in opposition to HB 2625. The City of Overland Park opposes further limits to home rule authority and we support the full control and authority over those matters which are granted to municipalities by the Kansas Constitution as approved by voters in 1960.

The City supports Constitutional home rule authority of Kansas cities, which provides, in part, "...cities are hereby empowered to determine their own local affairs and government..." Thus, self-governance, and local control, is the rule established by our state's constitution.

Our Mayor and Council are fully authorized to handle local issues and problems such as is proposed in HB2625. They are the government closest to our residents and businesses, and are best prepared to assess, evaluate, regulate and set public policy as they believe is in the best interest of the community. HB 2625 would limit that authority and the ability of our Governing Body to be responsive to their constituents' interests and desires.

Thank you for allowing the City to testify on this legislation. We respectfully request that the Committee not advance HB 2625 to the full House.
