Mr. Chairman and Members of the Committee,

On behalf of the Kansas Beer Wholesalers Association, thank you for the opportunity to provide written testimony in support of H.B. 2133, AN ACT concerning alcoholic beverages; relating to delivery of alcoholic liquors; required reporting, penalty.

The KBWA believes this legislation would be a positive step in terms of identifying and collecting taxes legally due on direct shipments of wine to Kansas residents. This ensures a fair and level playing field and fits well within the constructs of the three-tier system. It is good public policy and we urge its adoption.

Very truly yours,
