

January 16, 2020

Members of the House Federal and State Affairs and Senate Judiciary Committees,

I am writing today to ask you to vote no on HCR 5019, the constitutional amendment that denies the right to reproductive freedom.

As a human, I deserve my bodily autonomy. Decisions about my medical care should be made by me with input from my doctors. We do not need to change the constitution to limit individual rights in this way.

Sincerely,

A handwritten signature in black ink, appearing to read "Heather Edverson", is centered on a light gray rectangular background.
