To the Chairman of the Committee on Federal and State Affairs,

I am in support of HB2650, recognizing February 15 as Susan B. Anthony Day in the State of Kansas. Such a designation is long-over due and warranted in the Centennial year of the ratification of the 19th Amendment.

Kansas was the first state to grant women the right to vote in school elections in 1861.

Kansas was the first state to hold a referendum on women's suffrage in 1867.
